

**74. kolo Trkačke Lige Somaraton  
Sombor, Gradsko kupalište "Štrand"  
30.12.2017. god**

I ovo subotnje kolo okupilo je blizu 40 učesnica/ka uključujući i logistiku pored staze. Rastemo iz dana u dan iz kola u kolo. Šta reći posle ovako uspešne sezone za TL "Somaraton". U ligi je ukupno učestvovalo 92 članova/ca. Zajedno smo pretrčali oko 4400km a na zajedničkim treninzima – ligi smo proveli više od 500sati. I ovo poslednje kolo sa kojim smo zatvorili sezonu je bilo posebno, jedinstveno. Trka je startovala sa novogodišnjim-"hendikep startom" a svaki učesnik/ca je dobio "vetar u leđa" od 2min. Po završetku kola otvoren je i šampanjac a nazdravljeno je šampionskoj 2017. godini uz želje da nam 2018. godina bude u najmanju ruku uspešna kao prethodna. Sudeći po poslednjim danima u 2017. godini gde je Somborski polumaraton postao deo porodice evropskih polumaratona ova 2018. će biti više od toga.

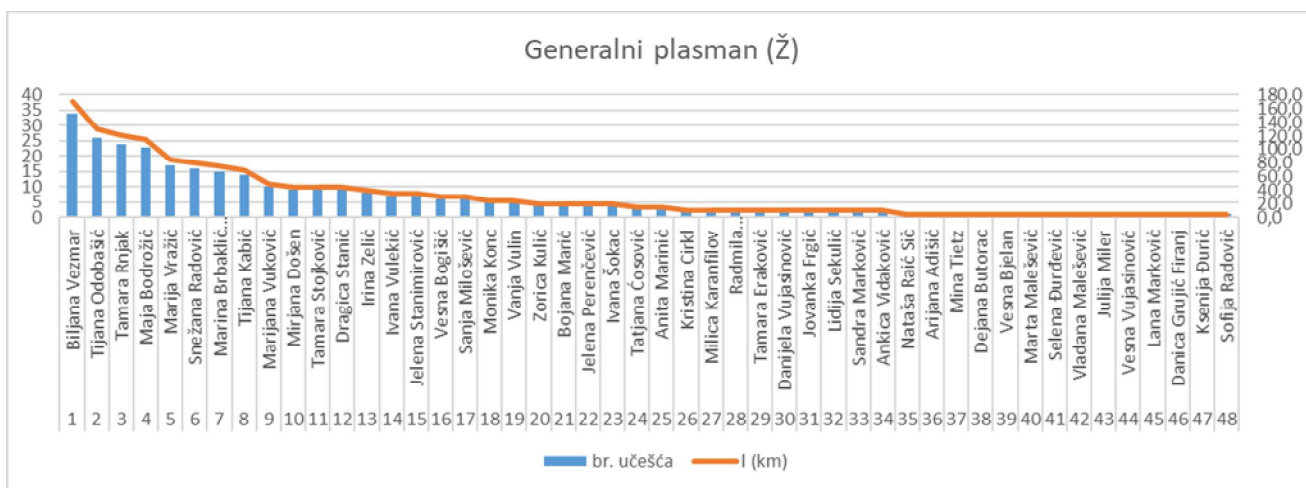

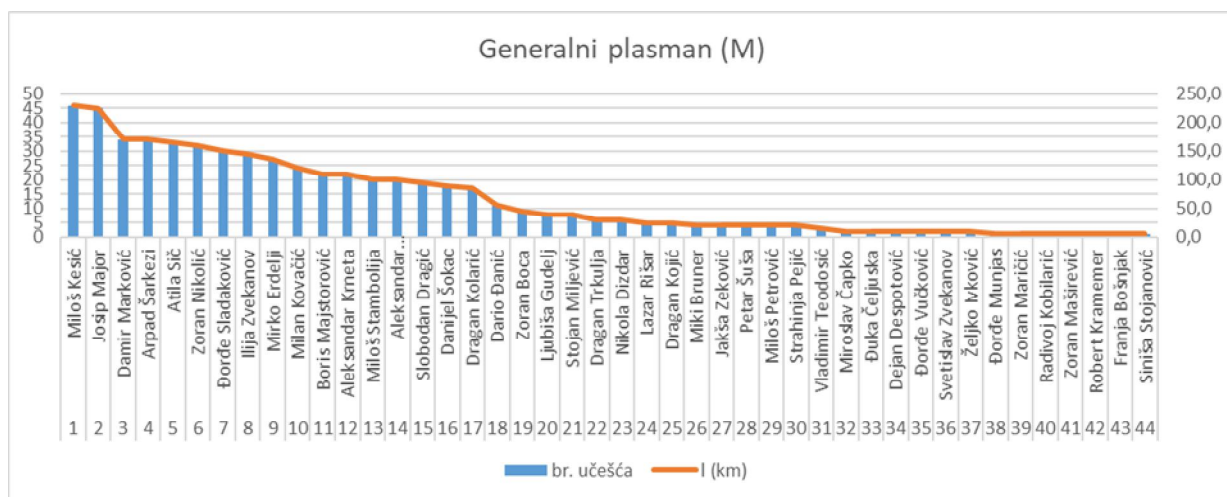

74. kolo - 30.12.2017. - rezultati

Napomena : \* Svi učesnici/ce 74. kola su startovali sa "novogodišnjim(hendikep) startom" od 2min. Stvaran rezultat koji su ostvarili je za 2min veći od prikazanog.

*Pravila: Generalni plasman svih učesnika/ca lige se utvrđuje po broju učešća tj, po ukupnom broju kilometara koji su pređeni u jednoj kalendarskoj godini. Ukoliko dva/e ili više učesnika/ca imaju isti broj učešća odnosno pređenih kilometara bolje plasirani/a će biti učesnik/ca koji je za kraće vreme istrčao/la ukupnu distancu. Ako i pored gore navedenih kriterijuma budemo imali izjednačenje u genralnom plasman prednost će dobit bolje plasirani/a učesnik/ca na polusezoni.*
